

## LEDDY'S PORCH

Leddy's Porch is located in the historic Florida House Inn and offers a unique selection of southern food. The inn itself was built by David Yulee in 1857 as a railroad boarding house for his workers. During the Civil War the inn housed union soldiers and was eventually bought by Major Leddy and his wife. Over the years the inn has welcomed guests such as Ulysses S. Grant, Laurel and Hardy, Mary Pickford, Henry Ford, Jose Marti, the Carnegies, the Rockefellers and many more!
